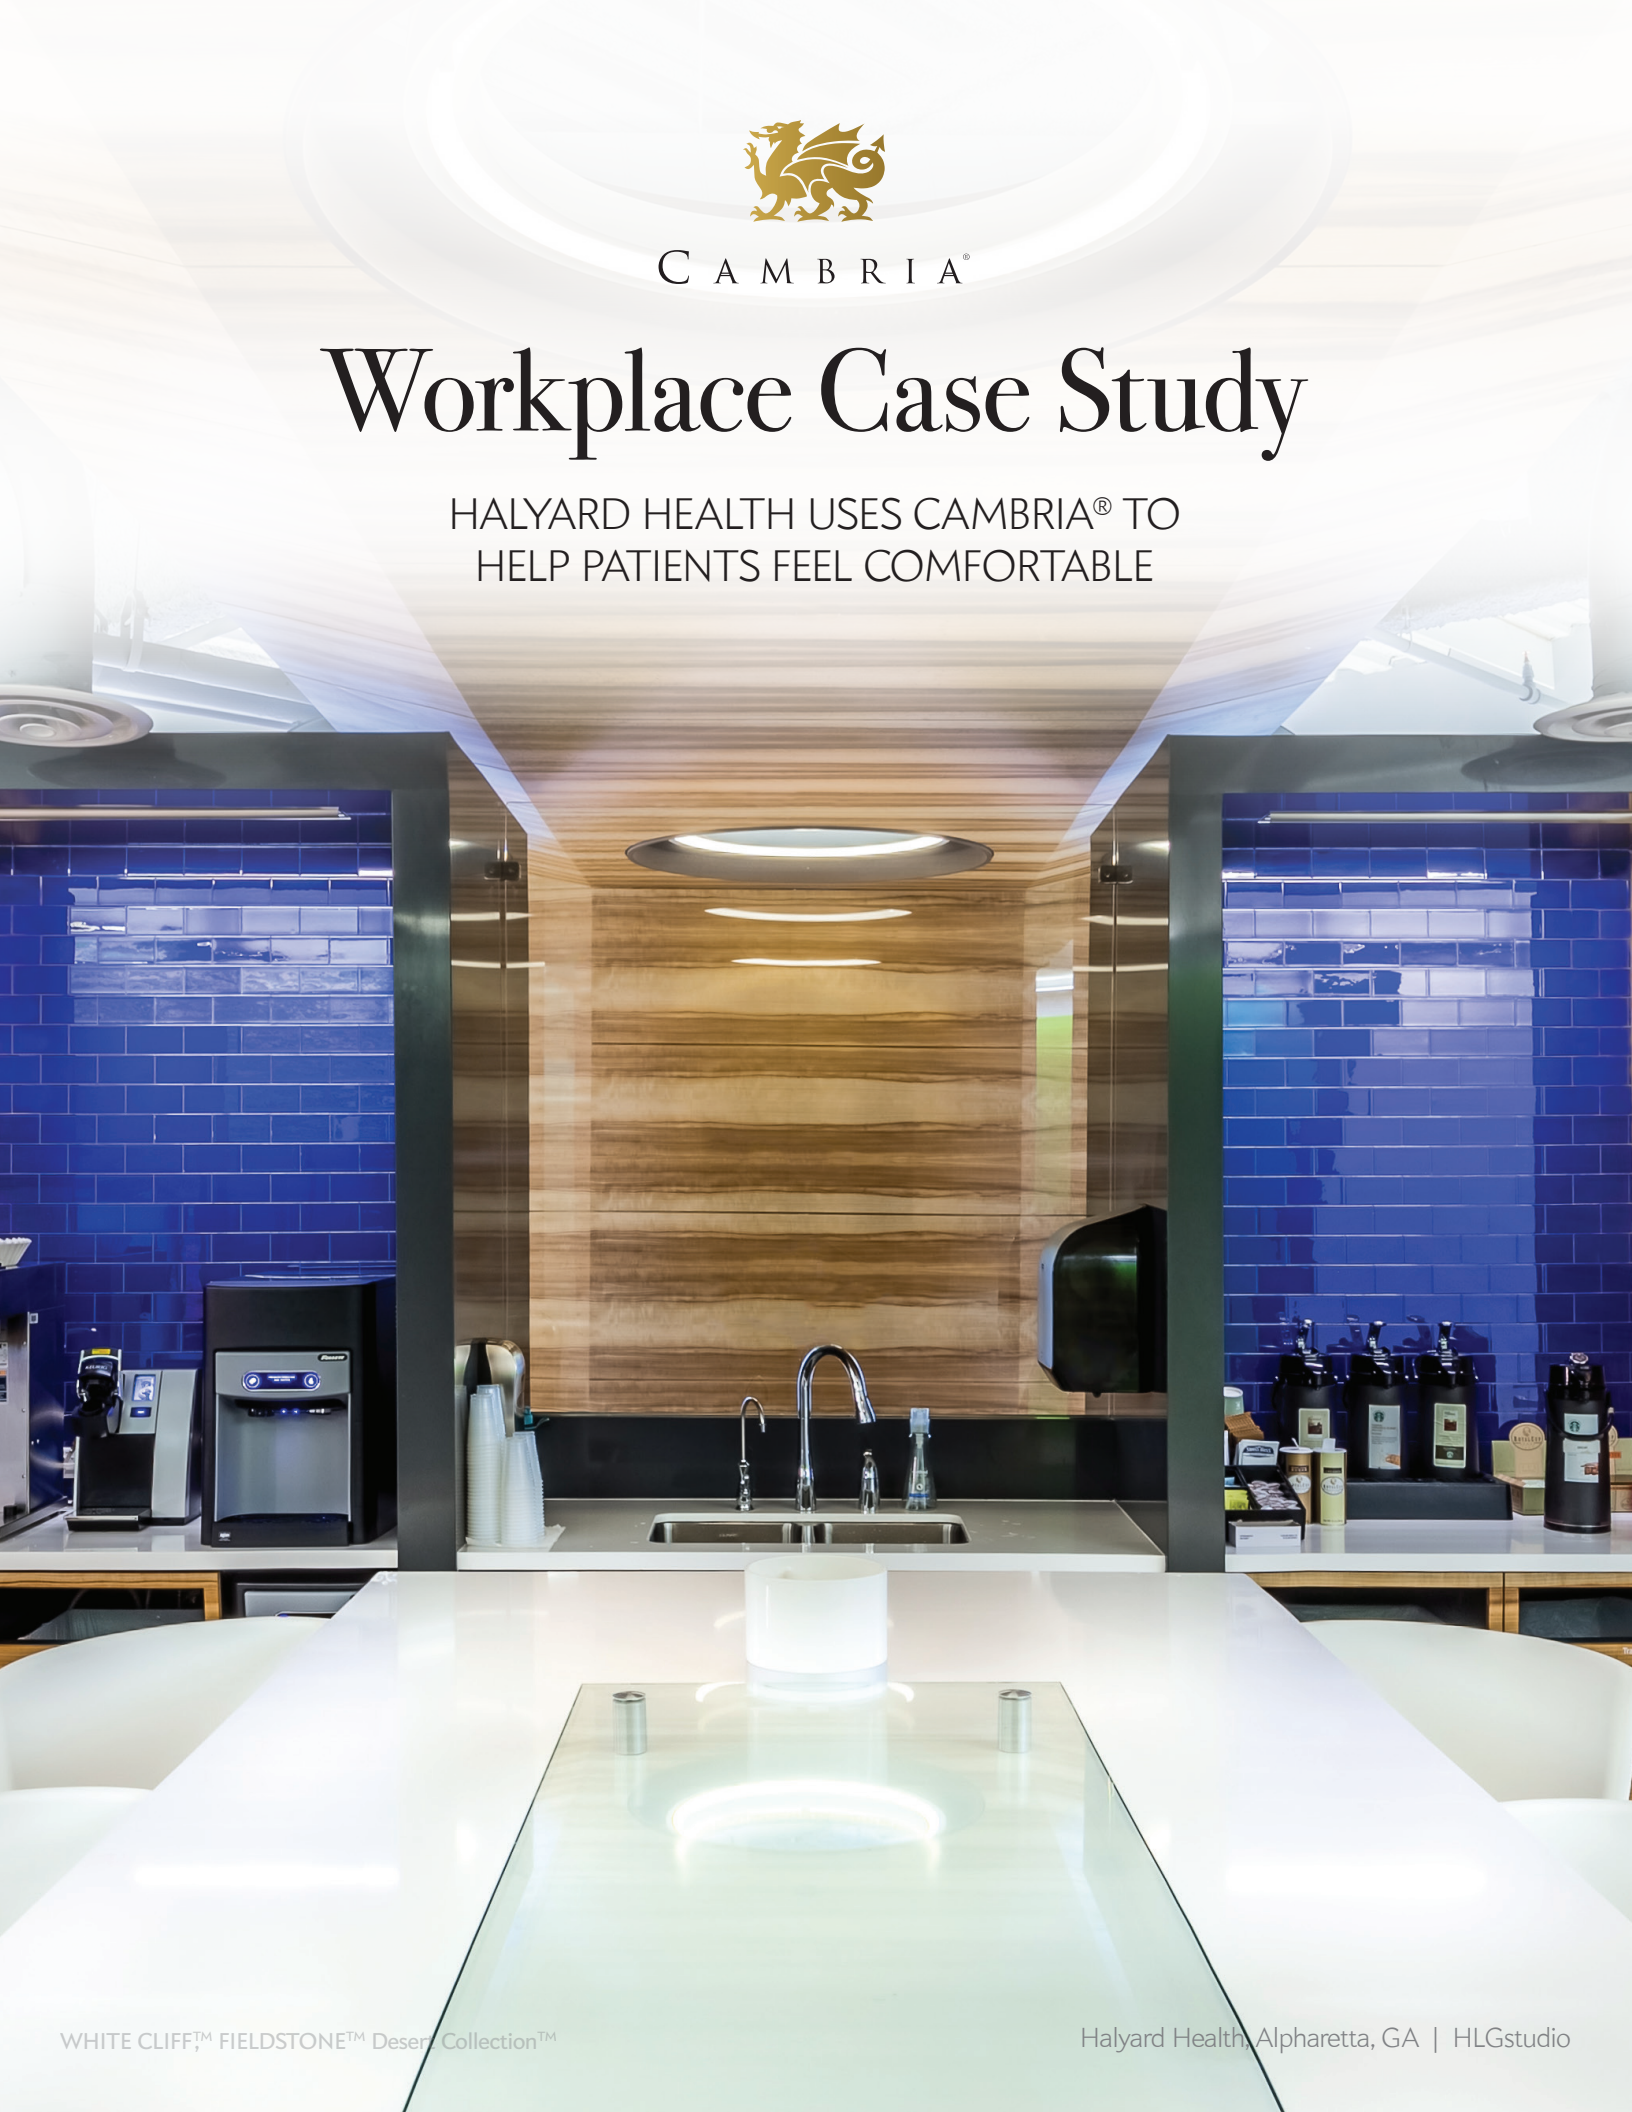
CAMBRIA®

Workplace Case Study

HALYARD HEALTH USES CAMBRIA® TO HELP PATIENTS FEEL COMFORTABLE



WHITE CLIFF,™ FIELDSTONE™ Desert Collection™

Halyard Health, Alpharetta, GA | HLGstudio

> We were looking for a durable product that could perform in a variety of ways throughout a commercial setting. Cambria was the right choice and matches Halyard Health's high quality products.
>

WHITE CLIFF™, GREYSTONE™ Desert Collection™

Cambria® works hard in any workplace

For Halyard Health, being a leader in the medical manufacturing industry is all about continued innovation and a work environment that facilitates top-notch thinking. With an attractive, monolithic design, Cambria was a front-runner for looks, but its strong, easy-to-maintain surface is what truly won the team over. With an assortment of designs used across the reception, restroom, and communal areas, Cambria is positioned to stand the test of time in this beautiful space.

Cambria is the only family-owned, American-made producer of natural stone surfaces. No other company offers such innovative designs, reliable product integrity, maintenance-free benefits, and extensive customer support.

Cambria Advantages for Halyard Health

- Easy care and durability
- Nonabsorbent
